

Winter 2010

Dear Friends,

It is our pleasure to welcome you to Great Smoky Mountains Institute at Tremont for our Spring Photography Workshop. There is no better way to celebrate spring than by improving your nature photography skills in Great Smoky Mountains National Park. I am sure you will have a wonderful time learning new methods, discovering special places, and capturing on film, and in your memory, the beauty of the mountains, forests, streams, and wildflowers.

Plan to arrive on **Friday, April 23**, between 2:00 and 5:00 PM for check-in. There will be time to settle into the dorm and dinner is served at 6:00 PM. *Beginning at 3 PM there will be an optional Digital Photography in the Field session for those who arrive early.* After an exciting weekend the program **ends on Monday, April 26**, midmorning. (We do have an optional late morning presentation; however, lunch will not be served on Monday.)

Be sure to read [Your Visit to Tremont](#) to learn important information you need to know about your visit. You'll also want to look over the [Tentative Schedule](#) where you can learn more about your instructors as well as other important details related to the workshop. If you have further questions, please feel free to contact us.

Please fill out the [Workshop Health & Waiver](#) form and bring it with you to turn in upon check-in. If you have special dietary needs, or anything else we should be aware of in advance, please send in your form ahead of time.

Once again, on behalf of all of us here in Walker Valley, welcome! We look forward to enjoying a lovely spring weekend with you.

Sincerely,

John DiDiego
Education Director
